This is the brave knight, Dirk the Daring.

This is the beautiful Princess Daphne. Dirk must overcome many dangers before he can rescue her.

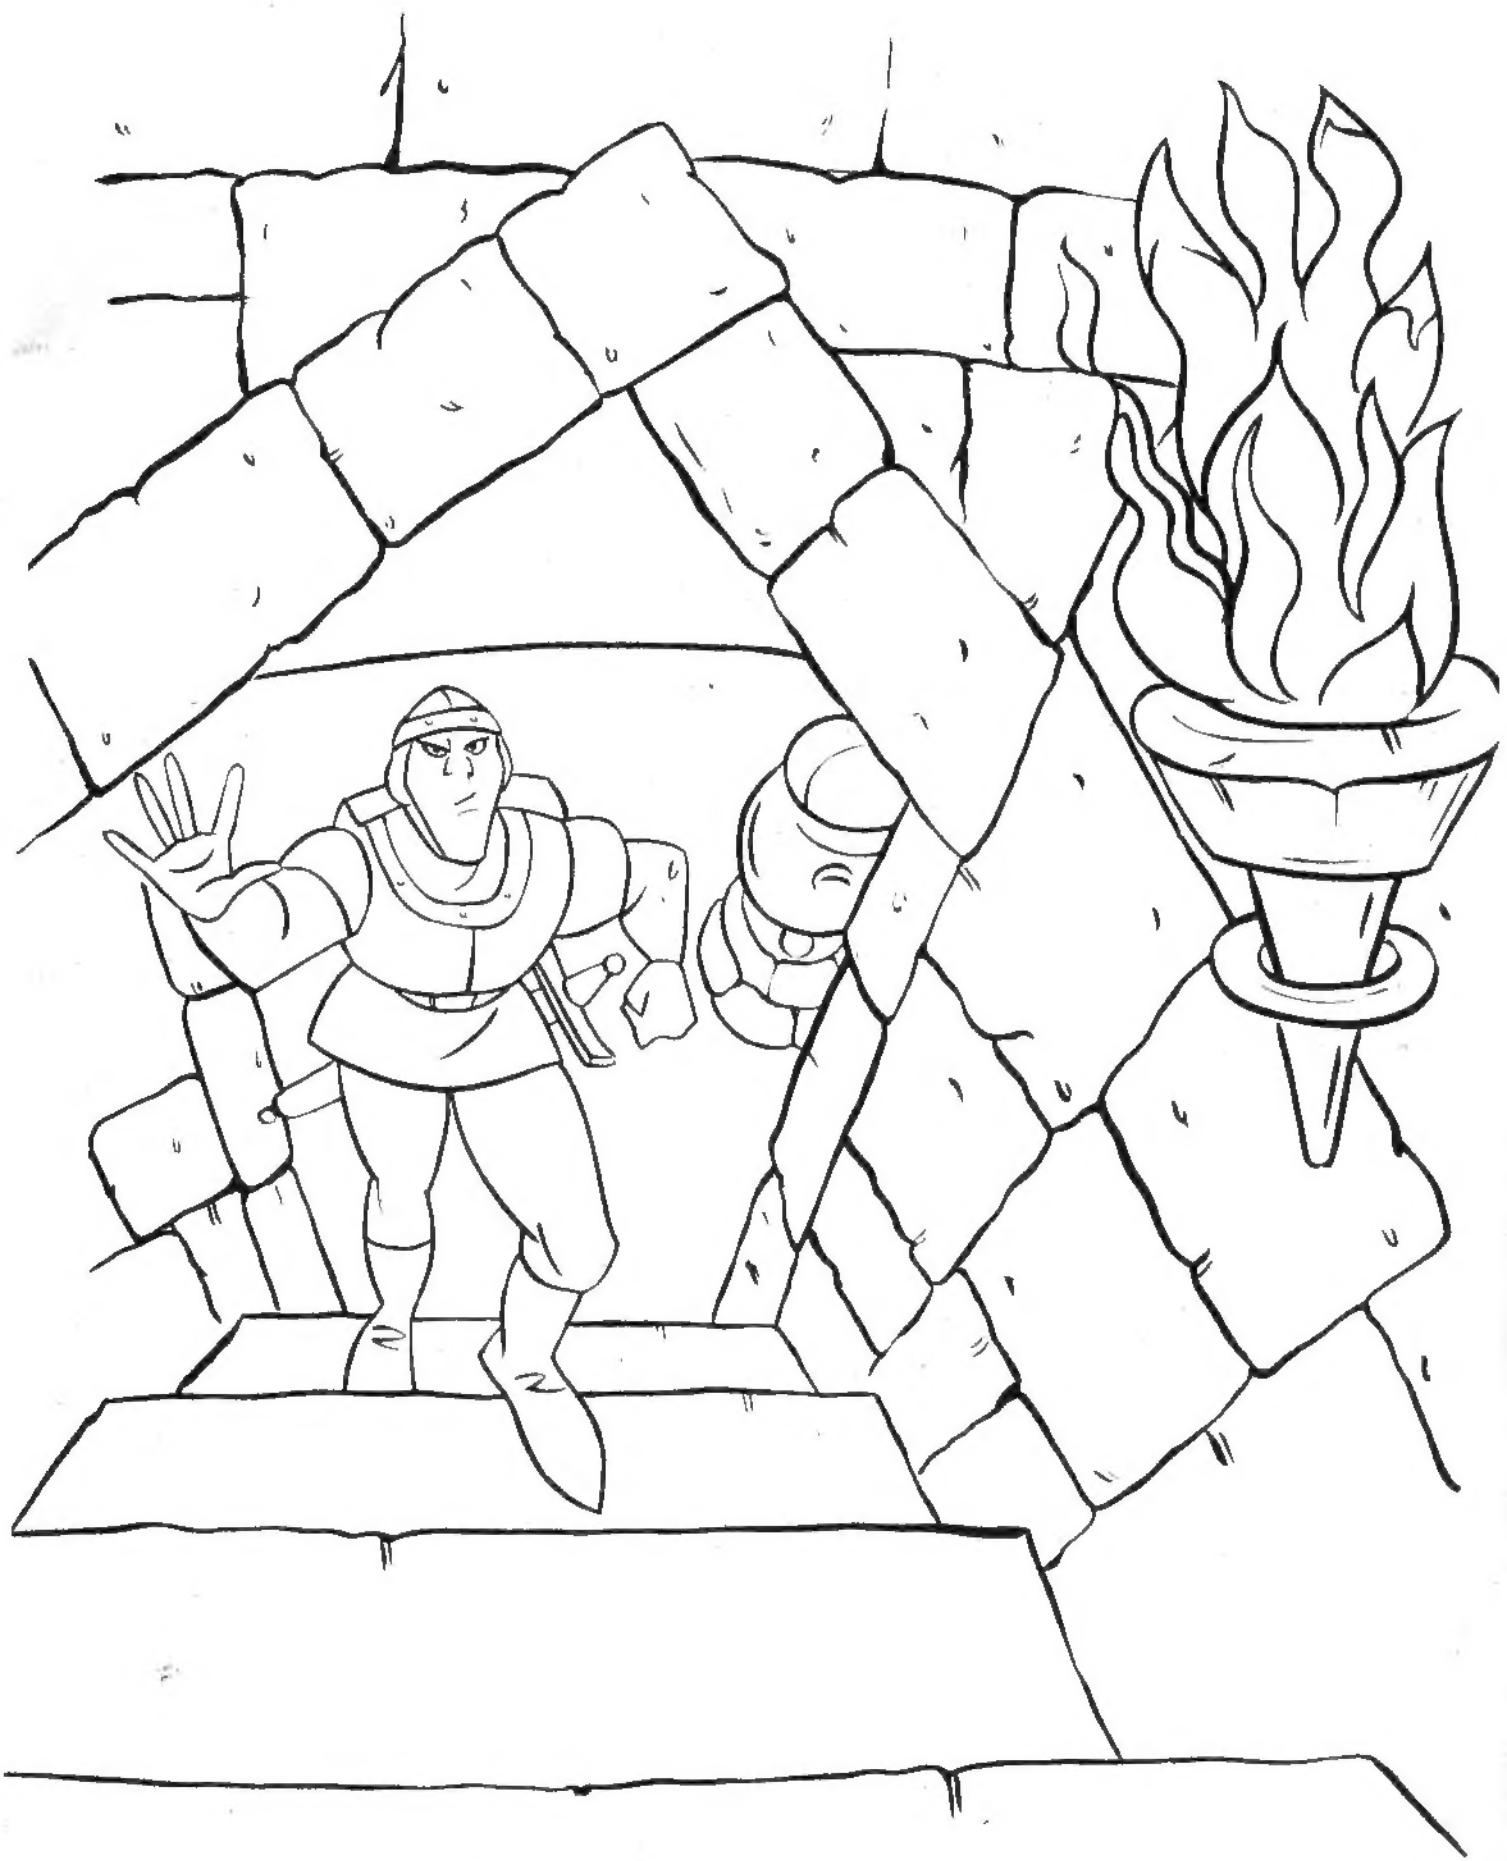

These are the keepers of the castle — the deadly Giddy Goons!

This is the evil Dragon's Castle, home of the deadly Dragon.

"Princess Daphne is in that evil castle!" says Dirk.

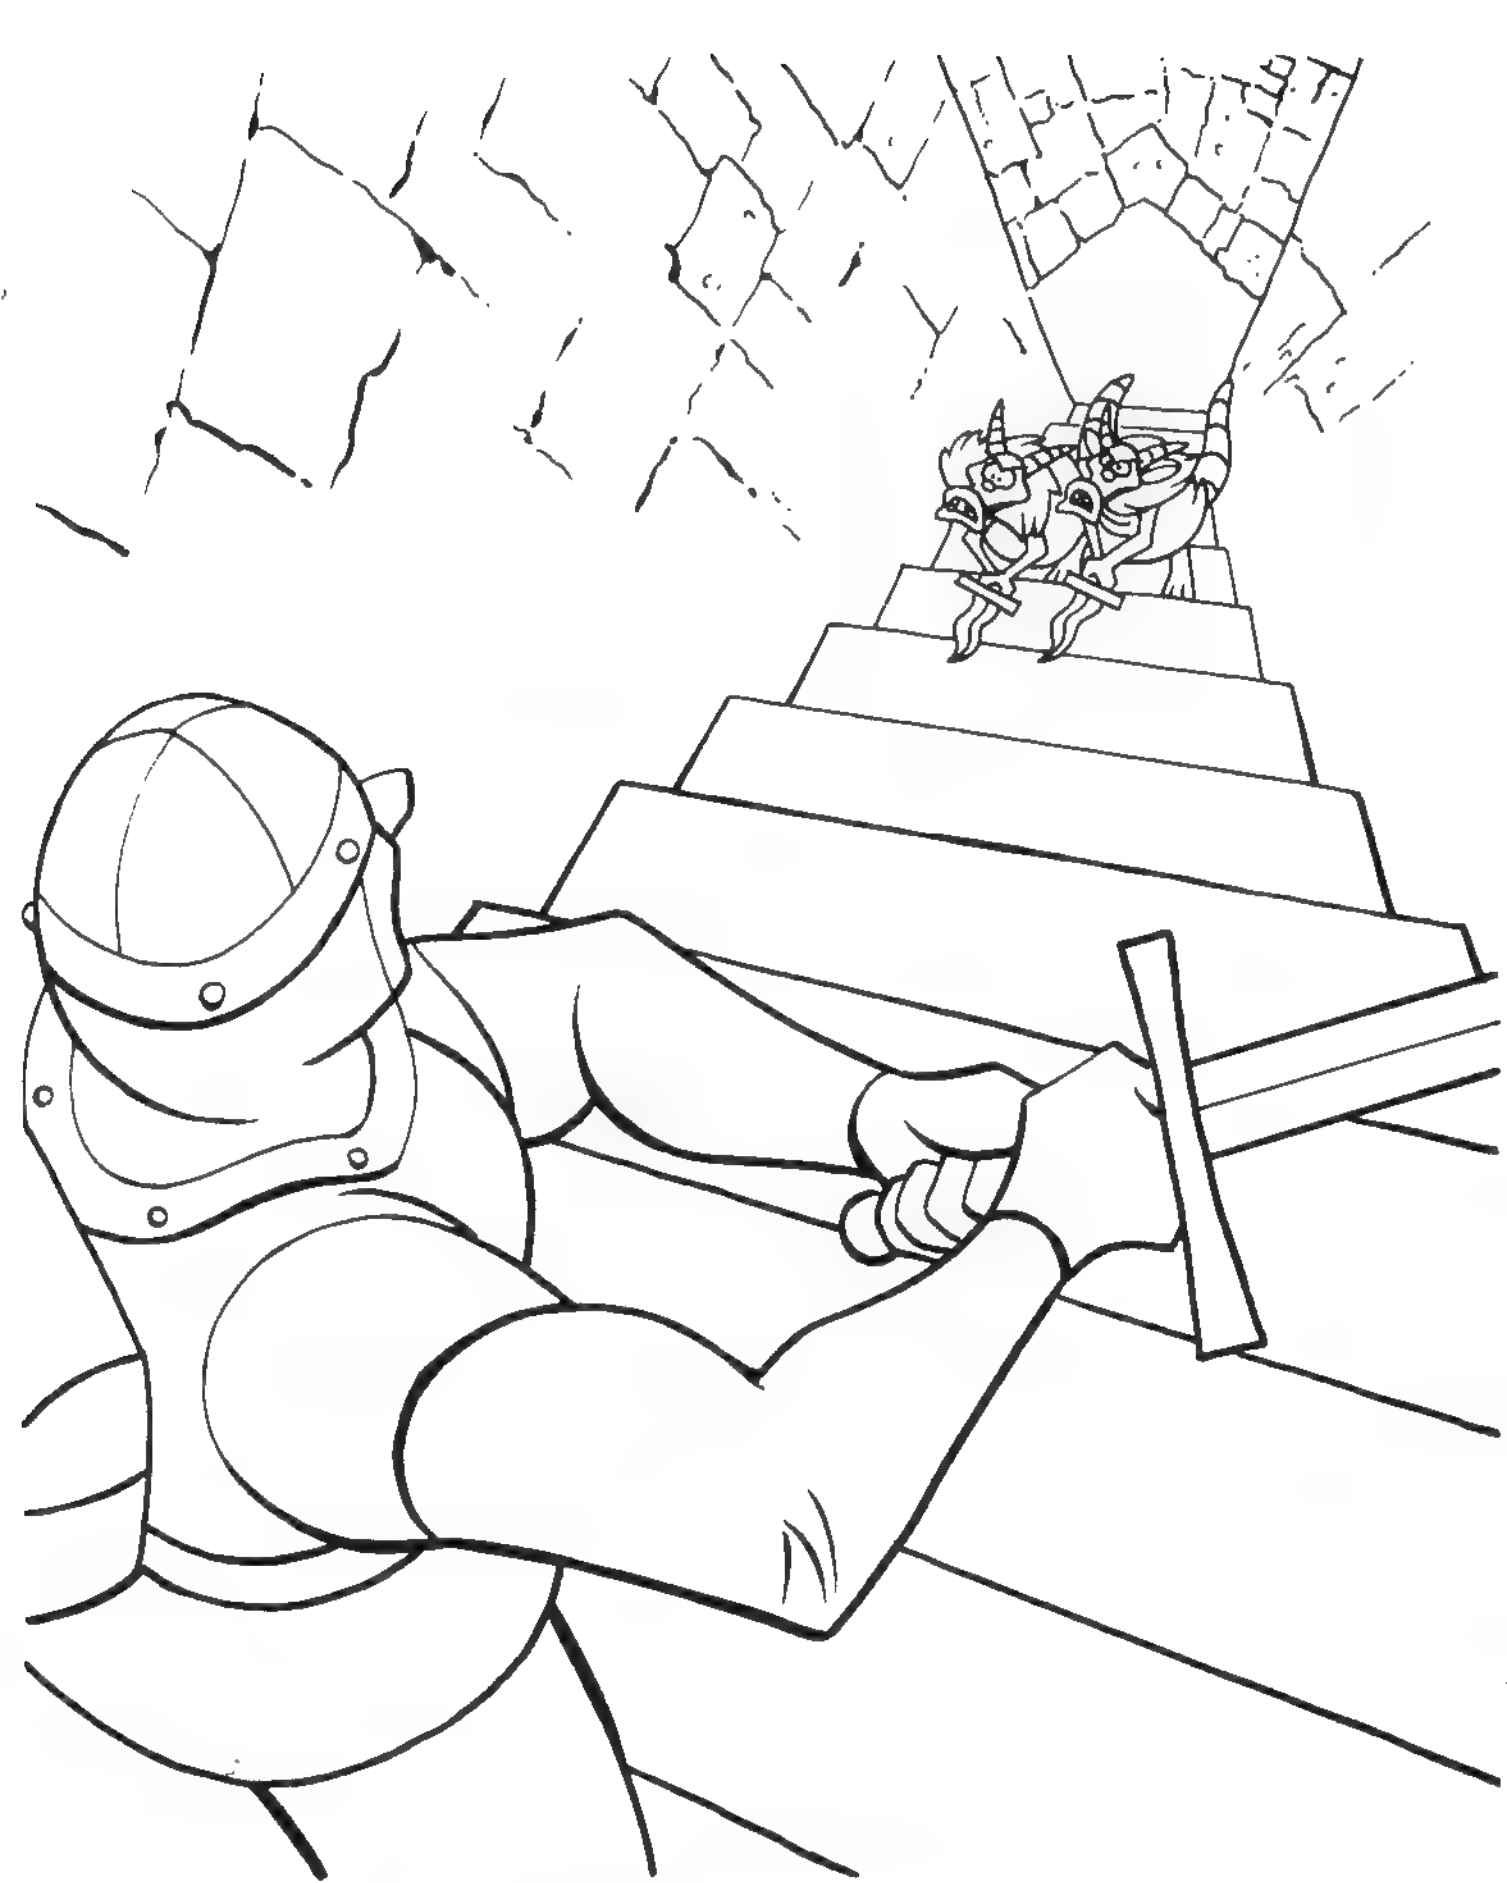

"I bet this is the way to the Dragon's Lair!" says Dirk.

"If I'm careful, I won't run into any Giddy Goons!" says Dirk.

"Haahaahaa!" laugh the Giddy Goons. "Dirk the Daring is done for!"

"As long as I have my sword, I am never helpless!"
says Dirk the Daring.

“Ha! Ha! That is what you think!” laugh the Giddy Goons.

"I will attack Dirk the Daring from behind!" says the Giddy Goon.

"Surrender, Dirk!" shout the Giddy Goons.
"Never!" shouts Dirk.

“Oh no!” shout the Giddy Goons. “Dirk got us! We are disappearing!”

"Now to take care of the other Giddy Goons!" shouts Dirk.

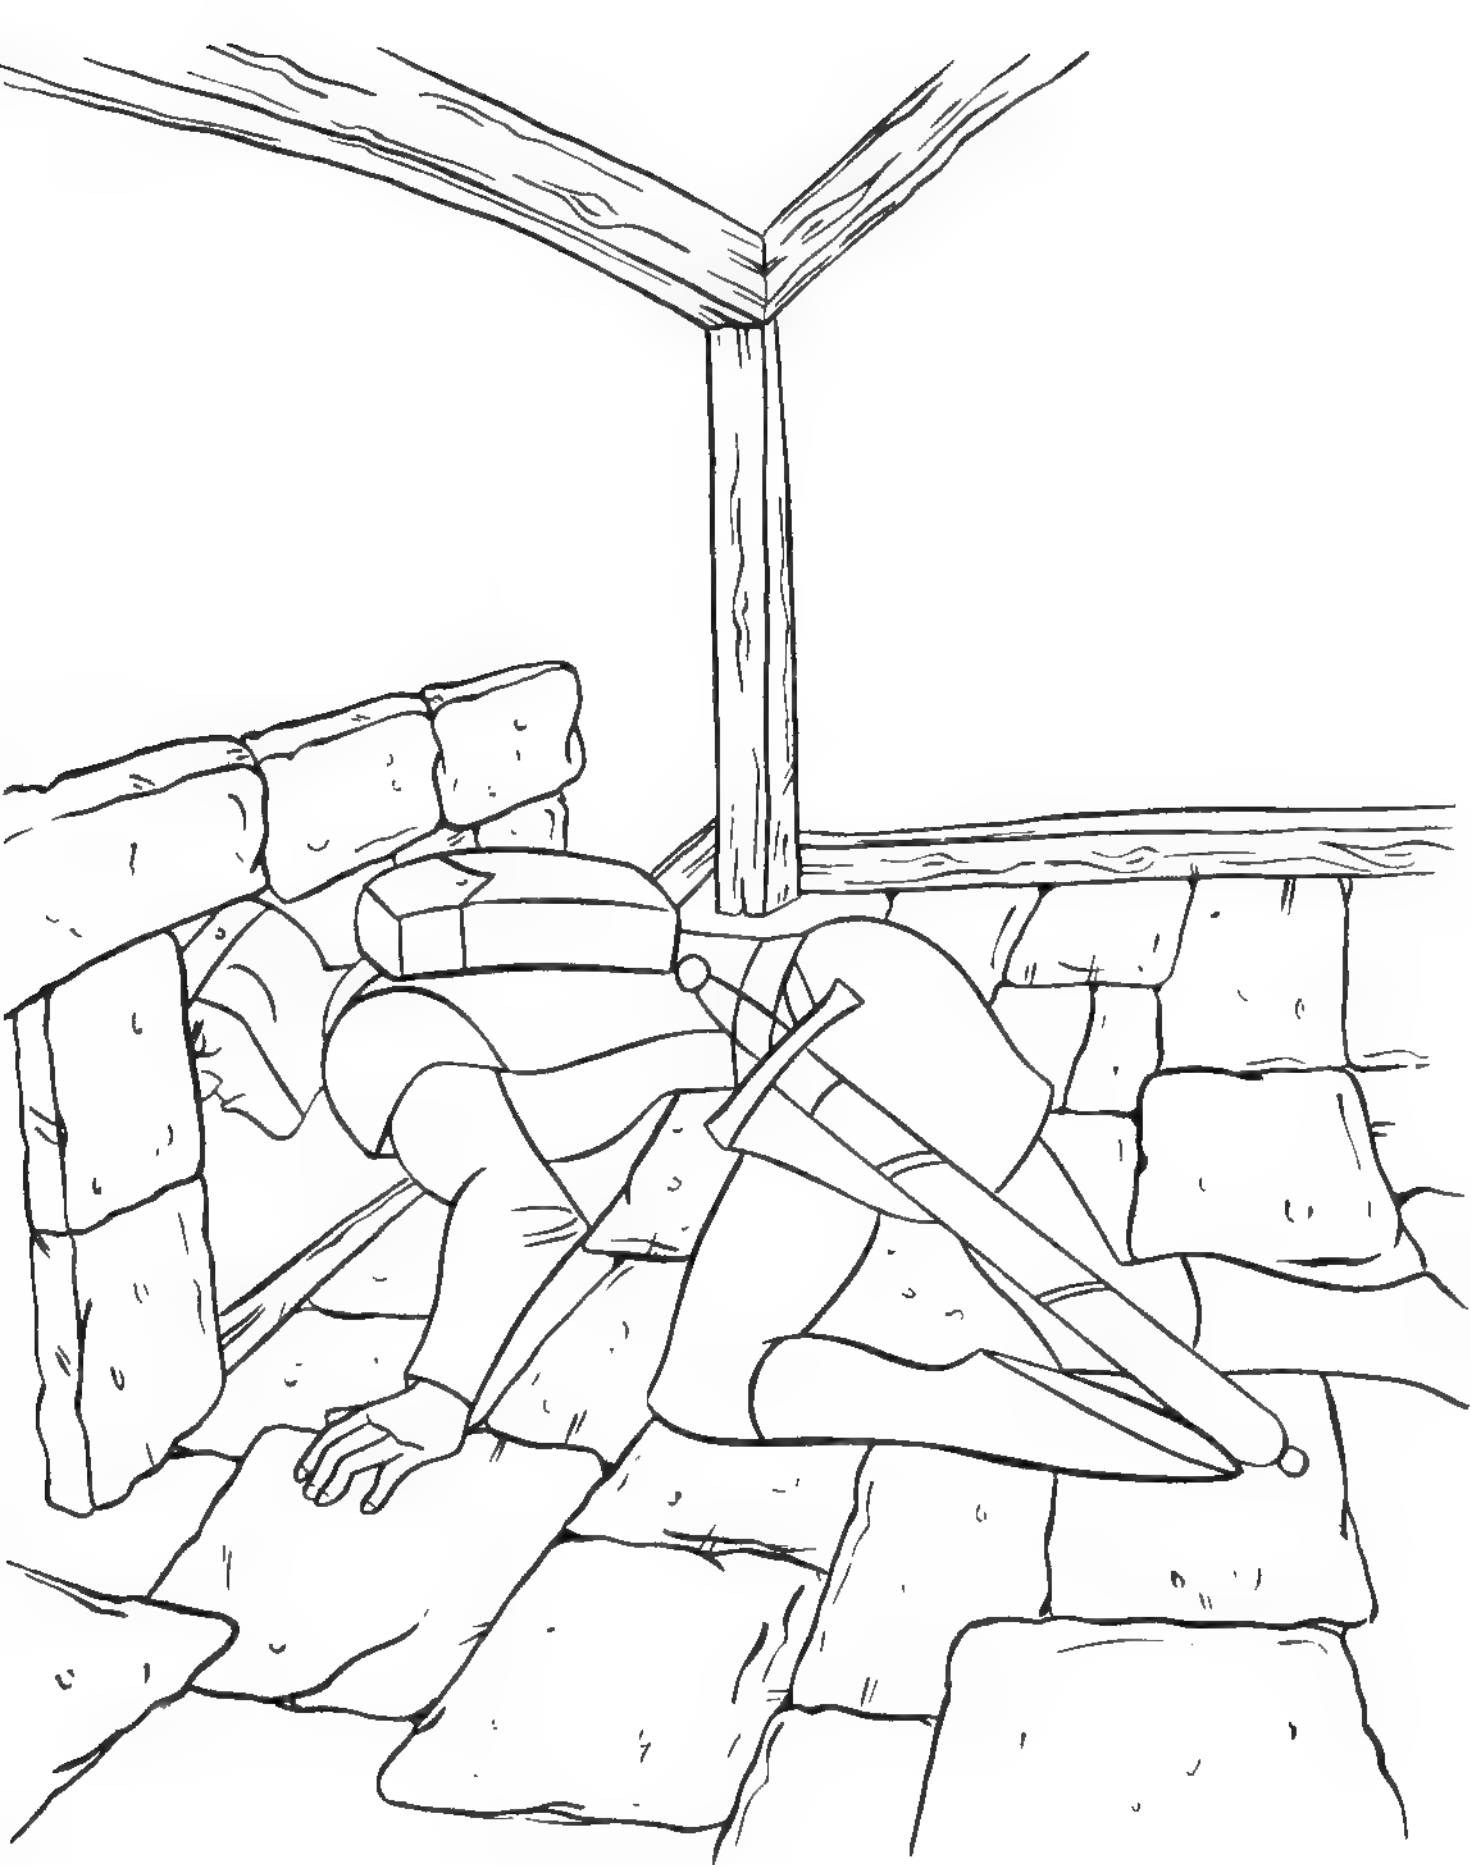

"Yikes!" shout the Giddy Goons. "Here comes Dirk the Daring!"

"Let's get out of here!" shout the Giddy Goons.

"Those Giddy Goons are gone!" says Dirk. "But more will take their place!"

“Nothing must stop me from saving Princess Daphne!” says Dirk.

"The coast is clear," says Dirk. "Not a Giddy Goon in sight!"

"Haahaahaa! Hoo Hoo!" "I spoke too soon!" says Dirk.
"That's the battle cry of the Giddy Goons!"

"Ha Ha!" laugh the Giddy Goons. "We have you trapped, Dirk!"

“The Dragon will reward us well when we bring you to him!”
say the Giddy Goons.

"Dirk the Daring will never be beaten!" says Dirk.

"Take that, you Giddy Goons!" says Dirk.
POP! POP! And the Giddy Goons disappear.

"I must leave before more Giddy Goons attack!" says Dirk.

“Too late, Dirk!” say the Giddy Goons. “We are already here!”

“Too bad — for you!” shouts Dirk. POP! POP!
And the Giddy Goons disappear.

“Oh no!” says Dirk. “More Giddy Goons!”

"Looks like I have the last laugh!" says Dirk. "Good-by, Giddy Goons!"
